RE: Status of Getty Contract, Mercur Project, ACT/045/017,
Tooele County, Utah

Attached is a letter from Getty Oil Company stating the current status of the operation. The acquisition of Getty Oil Company by Texaco, Inc., will preclude the filing of a 10-K because it is no longer a publicly-held corporation.

Texaco, Inc., is involved in negotiations to sell the Mercur Project at the present time. Texaco, Inc., anticipates that a sale will be consummated sometime within the next few months.

I am not sure what to do, please advise. I would like to discuss this matter with the Board at the March hearings.
